

# PRODUCTS

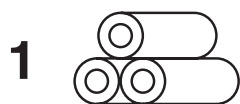

Fizan was born as a manufacturer of ski, trekking and Nordic walking poles. Over the years other products have also been added, such as multi scarves and some accessories. All the products before being distributed are tested and qualitatively checked and comply with European standards.

Fizan nasce come produttore di bastoni da sci, da trekking e da nordic walking. Negli anni sono stati inseriti anche altri prodotti, come le bandane e alcuni accessori. Tutti i prodotti prima di essere distribuiti vengono testati e controllati qualitativamente e se sono conformi alle normative europee.
